

Guide des Tailles - Bagues

- 1- Imprimez cette feuille à taille réelle
- 2- Mesurez l'échelle en bas de page pour vous assurer qu'elle corresponde aux 10 cm indiqués
- 3- Prenez une bague de la même taille que vous souhaitez pour votre future bague
- 4- Placez la bague sur le cercle correspondant le plus à sa taille, le contour du cercle doit pouvoir se voir à l'intérieur de la bague.
